CITY OF GREEN BAY

YARD WASTE DISPOSAL PROGRAM

SPRING LOOSE LEAF COLLECTION

The City of Green Bay Department of Public Works will begin its spring curbside collection of loose leaves, garden waste, and grass clippings on **Monday, March 30, 2015**. This material should be placed out to the curb in separate piles and should not be co-mingled. Bagged material or co-mingled material will not be picked up.

Collection will continue for four (4) weeks and end on Friday, April 24, 2015. All leaves and yard waste left for collection must be out to the curb no later than 7:00 am on Monday, April 20. After April 24, residents must dispose of their own yard waste. Yard waste left at the curb after April 24, 2015 is subject to collection fees.

Residents are reminded that raking leaves into the street increases pollution of storm water, may cause flooding by blocking drainage structures and most importantly, piles of leaves in the street are a dangerous attraction to young children.

Please refrain from piling yard waste next to trees, poles, mailboxes or other obstructions where possible as this slows down the crews and may cause damage to equipment or the obstruction.

YARD WASTE DROP - OFF CENTERS

The City of Green Bay Department of Public Works Yard Waste Drop-Off Centers are now open daily.

Residents may bring their loose leaves, grass clippings, and garden waste to either of the City's two yard waste drop-off sites. The Yard Waste Drop-Off Centers are located at 2530 East Shore Drive on the east side and at 1470 Hurlbut Street on the west side. The sites will remain open seven days a week through the fall of 2015. The hours of operation will be as follows:

EVERY DAY 8:00 A.M. TO SUNSET

Information concerning the above programs may be obtained by calling the Department of Public Works-Operations Division at 448-3535 or visiting the City's web site at www.greenbaywi.gov.
